

# PAR-Q for Research

## The Physical Activity Readiness Questionnaire for Everyone

The health benefits of regular physical activity are clear; more people should engage in physical activity every day of the week. In this research you will be required to take part in physical activity. This questionnaire will tell you whether it is necessary for you to seek further advice from your doctor OR a qualified exercise professional before taking part in this research.

### General Health Questions

| Please read the 7 questions below carefully and answer each on honestly.<br>Tick YES or NO                                                                                                                                                                                                                                     | YES | NO |
|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----|----|
| 1. Has your doctor ever said that you have a heart condition OR high blood pressure?                                                                                                                                                                                                                                           |     |    |
| 2. Do you feel pain in your chest at rest, during your daily activities of living, OR when you do physical activity?                                                                                                                                                                                                           |     |    |
| 3. Do you lose balance because of dizziness OR have you lost consciousness in the last 12 months?<br><i>Please answer NO if your dizziness was associated with over-breathing (including during vigorous exercise).</i>                                                                                                        |     |    |
| 4. Have you ever been diagnosed with another chronic medical condition (other than heart disease or high blood pressure)?                                                                                                                                                                                                      |     |    |
| 5. Are you currently taking prescribed medications for a chronic medical condition?                                                                                                                                                                                                                                            |     |    |
| 6. Do you currently have (or have had within the past 12 months) a bone, joint, or soft tissue (muscle, ligament, or tendon) problem that could be made worse by becoming more physically active?<br><i>Please answer NO if you had a problem in the past but does not limit your current ability to be physically active.</i> |     |    |
| 7. Has your doctor ever said that you should only do medically supervised physical activity?                                                                                                                                                                                                                                   |     |    |

If you have answered **NO** to all the questions above, you are cleared for physical activity. Please sign the participant declaration.

If you have answered **YES** to one or more of the questions above it is recommended that you seek professional medical advice from your doctor or qualified exercise professional on whether you should take part in this research project. Please inform the researcher that you are unable to participate until you have been cleared for physical activity.

## PARTICIPANT DECLARATION

If you are less than the legal age required for consent or require the assent of a care provider, your parent, guardian or care provider must also sign this form.

I, the undersigned, have read, understood to my full satisfaction and completed this questionnaire. I acknowledge that this physical activity clearance is valid for a maximum of 12 months from the date it is completed and becomes invalid if my condition changes. I also acknowledge that the researcher/research team may retain a copy of this form for their records. In these instances, it will maintain the confidentiality of the same, complying with applicable law.
